

Terms and conditions of use

The copyright and terms of use for our books and other materials are outlined below. This statement appears on the frontice page of all of our books and in our other materials. All other rights are reserved. If you have further questions or queries please email us at sales@socomedres.com.au

Copyright and conditions of use

The copyright to the material in this resource is owned by Socom Educational Resources and its use is subject to the following conditions.

BOOKS/PRINT MATERIALS:

- In the case of an individual purchaser, the blackline/colour masters from the book may be copied, reprinted or scanned for the exclusive use of the original purchaser in his or her teaching. All other rights are reserved.
- In the case of purchase by a school or institution, the blackline/colour masters from the book may be copied, reprinted or scanned for the exclusive use of the teachers in that particular school or institution. Whilst scanned/electronic files created from the printed materials can be loaded on to the school/institution's intranet, computers or electronic whiteboards, under no circumstances are any of the scanned/electronic files 'created' to be loaded on to the internet or released into the public domain. All other rights are reserved.
- It is a condition of use that the original book/print materials be kept on file by the purchaser.

SOFTWARE/ELECTRONIC FILES:

- In the case of an individual purchaser, any of the electronic files may be copied or printed for the exclusive use of the original purchaser in his or her teaching. All other rights are reserved.
- In the case of purchase by a school or institution, any of the electronic files may be copied or printed for the exclusive use of the teachers in that particular school or institution.
- Whilst any of the electronic files purchased can be loaded on to the school/institution's intranet, computers or electronic whiteboards, under no circumstances are the files to be loaded on to the internet or released into the public domain. All other rights are reserved.
- It is a condition of use that the original CD/DVD (if it is the source of the electronic files) be kept on file by the purchaser.
